RV PARKING AREA / RV PARKING PASSES - (Buses included)

- An RV is defined as any vehicle larger either in length, width or height than a normal sixteen (16) passenger van. All oversized vehicles, campers that are towed and busses are considered RV's. However a non-electric RV area has been created for the Van/Camper/Truck patrons as well.
- Once an RV is parked in a designated space, it cannot move to another space. If you leave you will surrender your RV pass and will have to pay to re-enter.
- If you have a tow vehicle you will be allowed to drop your trailer and take your tow vehicle outside to park, you will only be allowed to make one return trip inside the gate for the purpose of hooking up your RV to leave the park at the end of the weekend.
- Each electric RV space will be 20' X 50'. Tents can be set up if they are within this space. Any slides or awnings must fit within the designated space as well.
- RV Parking Passes will be allowed to enter the gate Thursday, May 27th when the main gates open, no sooner.
- RV's will be allowed to enter until midnight each night and will reopen first thing in the morning.(this is for the safety of all festival goers)
- Everyone in an RV must possess a regular festival ticket to enter. Each RV will only need one RV pass to enter. There will be a special RV pass required for each RV to enter the festival grounds.
- If you purchase VIP tickets and have an RV you will still need to purchase and RV spot.
- Sorry no water hookups are available so fill up before you enter, you cannot fill up your water in the park.
- Under no circumstances will an RV be permitted to enter the festival grounds without a pass.
- The Pass shall be placed in your windshield. There will be **ABSOLUTELY NO REISSUES** for lost or stolen passes! Do not let anyone borrow your pass, you will forfeit your spot.
- No personal motorized vehicles will be permitted. This includes but is not limited to: golf carts, ATV's motor scooters, and powered skateboards. For safety reasons any form of transportation that would carry you faster than a walking pace will not be allowed. This applies to all areas- camping, parking and the concert venue.
